

ERGO Electric Sit-Stand Desk Frame

650800 (Grey)
650801 (Black)

Equip[®] Single-motor electric height adjustable frame allows you to create your own desk space and find that much needed healthy balance of sitting and standing throughout the long work day. Poor posture puts unnecessary and unhealthy strain on your back and neck, but the electric desk frame elevates your workstation to an ergonomic height while encouraging healthy movement. Standing periodically throughout the day keeps the blood flowing and helps you stay awake and alert.
